Mission Statement

To provide a balanced developmental and academic program which enables each student to reach their potential.

February 8, 2019

Dear Parents and Guardians:

The John Ashley School Council is conducting a Family Survey as part of its self-assessment for ongoing growth and development. Family perspectives are essential to the success and growth of the school.

At least half of all John Ashley families MUST return this survey for the results to be considered valid. The family survey is confidential and anonymous. No names, identifying information, or coding may be used. As a result, we have included an envelope which can be sealed and returned to John Ashley School once the survey is completed. **Please return the survey to your child's teacher in the envelope provided by Thursday, February 28th.**

If you prefer, you may also complete the survey online by visiting www.wsps.org/our-schools/john-ashley-kindergarten.

We will compile results and use them to inform our School Improvement Plan. A summary of the result will also be shared with the Ashley staff, PTO, and will be published on our website. Thank you for taking the time to complete this survey. Your feedback is important to us!

Sincerely,

Kathleen Bailer, Principal
