

Closure Message, 3/26/20

Good afternoon West Side Families and Students!

I miss you!! Please stay engaged and connected via email and Social Media.

Here are some important updates for **Quarter 3**:

1. No graded assignments were given to students past **3/12**.
2. The closure, while difficult, is a great opportunity for students to complete unfinished assignments!
3. Makeup work for Quarter 3 will be accepted until the **end of the quarter (4/9)**.
4. Report cards will not be sent; instead, on **4/29 Powerschool** will have updated student final grades for Quarter 3.

Here are a few updates for **Quarter 4**:

1. Quarter 4 **Remote Learning will begin on 4/13**. As Mr. Connor said in his email, closure and remote learning are new for everyone.
2. The daily Remote Learning schedule will be shared once we receive direction from the State Board of Ed. Additionally, assignments, grading, academic support, on-line learning time, etc. will all be discussed in the near future once we receive direction.

Please be patient, stay safe, and breathe! We got this!!

Dr. P

P.S. If you are having trouble with your Chromebook, use [this link for IT support](#).
